MATTHEW PHILLIPS

ARCHIVED SOLIDWORKS / CAD DRAWING PORTFOLIO

11 archived drawing images | 2013–2014 academic work

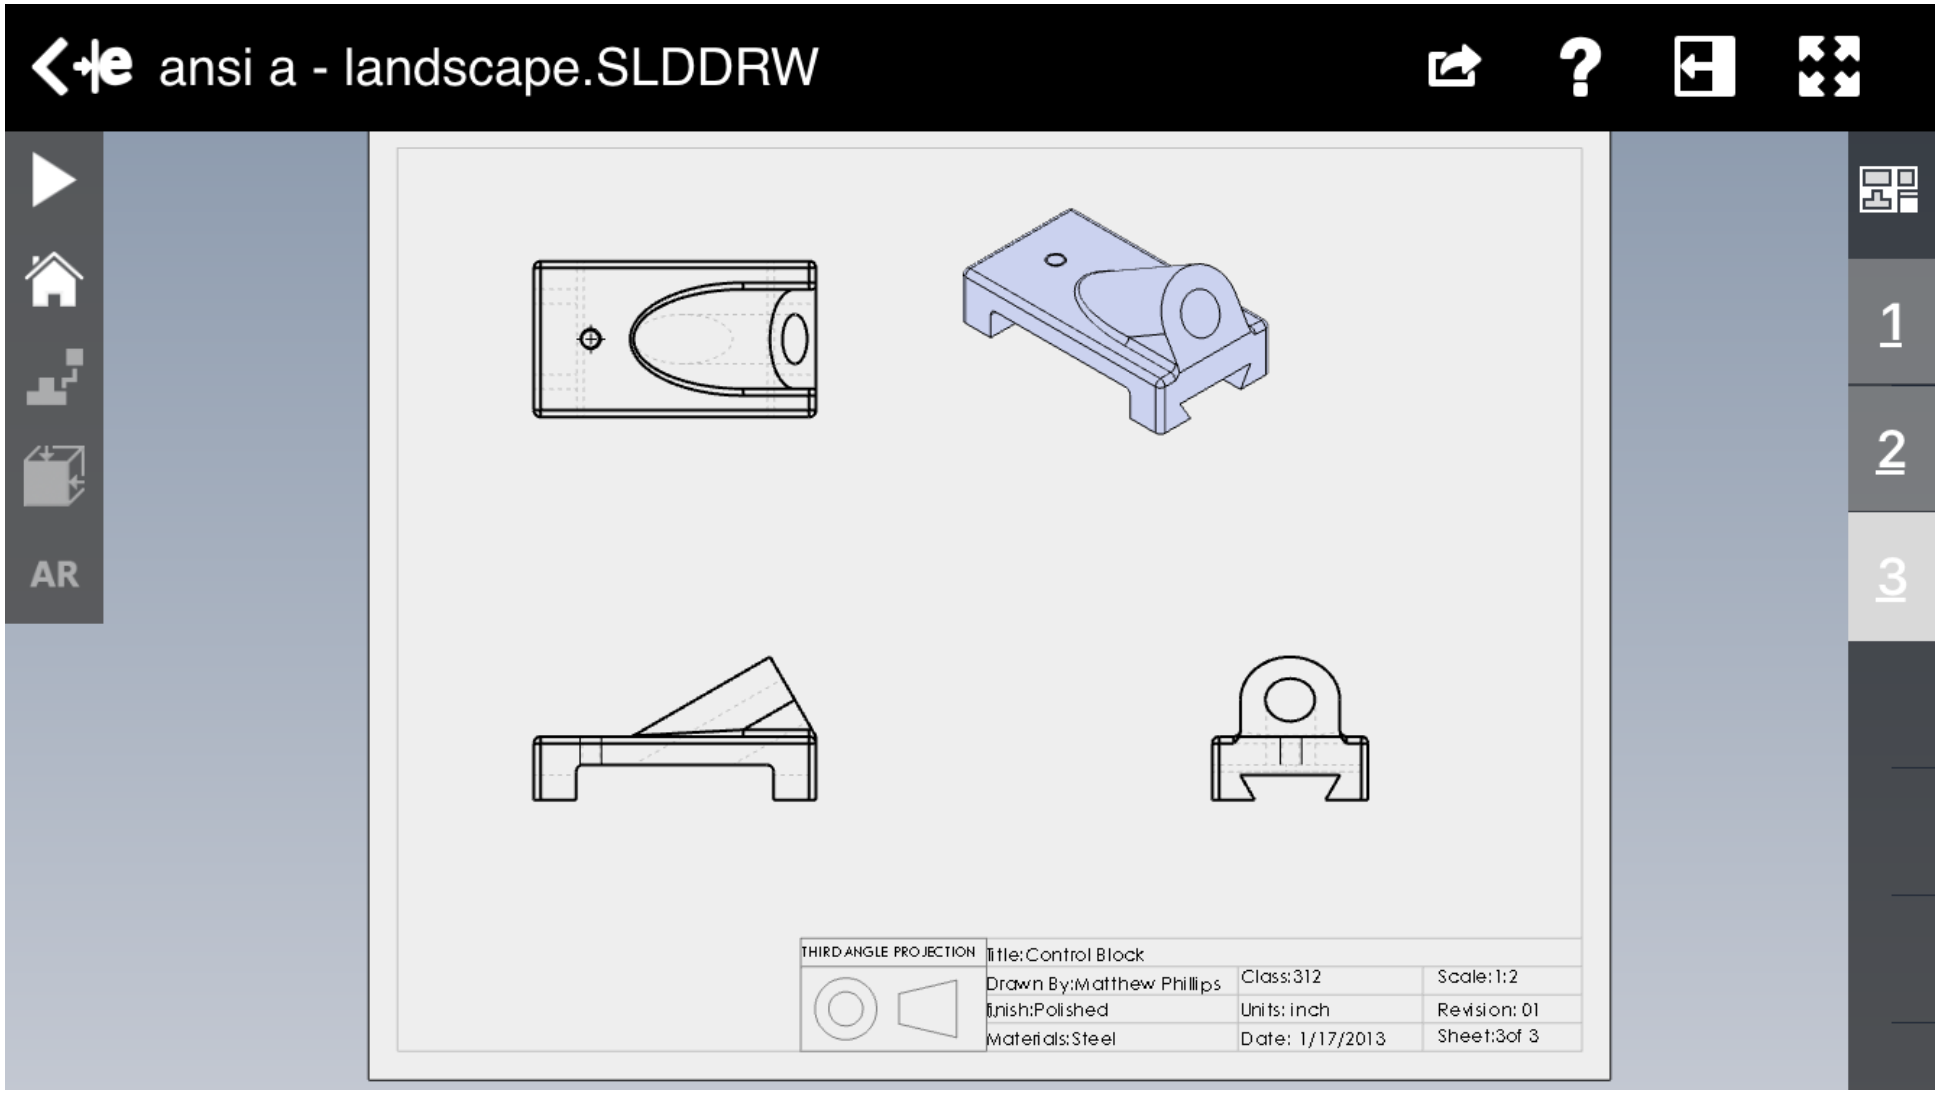

Source: historical images recovered from a January 25, 2017 email archive. The originals are screenshots of CAD work, not editable CAD files. Image content has not been redrawn or changed.

Attribution: 3 individually credited sheets; 1 group sheet; 7 additional archived screenshots with individual authorship not independently confirmed. Similar or revised views are retained to preserve the complete archive.

01 — Control Block — Technical Drawing (IMG_0548.png)
02 — Mechanical Component — Technical Drawing (IMG_0561.jpg)
03 — Control Block — Dimensioned Sheet (IMG_0562.jpg)
04 — Dimensioning and Tolerancing Exercise (IMG_0563.jpg)
05 — 3D Mechanical Housing Model (IMG_0547.png)
06 — Mechanical Drawing — Orthographic Views (IMG_0549.jpg)
07 — Dimensioned Plate Drawing (IMG_0550.jpg)
08 — Circular Flange / Component Drawing (IMG_0551.jpg)
09 — Mechanical Part — Multiview Drawing (IMG_0552.jpg)
10 — Mechanical Part — Alternate Drawing View (IMG_0553.jpg)
11 — Dimensioned Plate — Detail View (IMG_0554.jpg)

01 Control Block — Technical Drawing

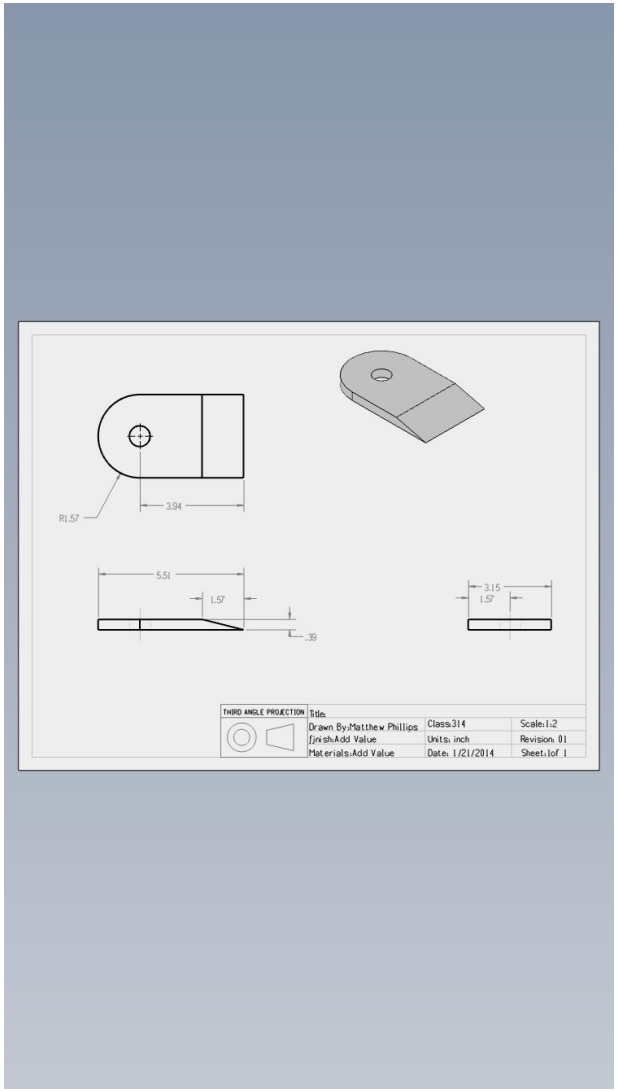

Individually credited | TECH 312 | 2013

Archived source image: IMG_0548.png. Original proportions preserved; image resolution 1334 × 750 pixels.

02 Mechanical Component — Technical Drawing

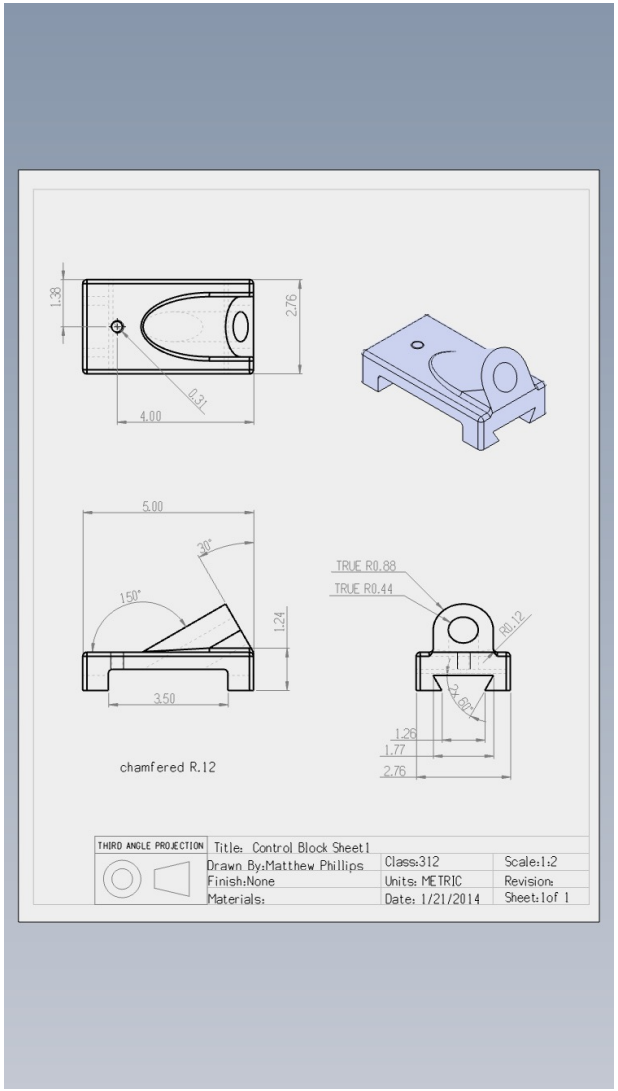

Individually credited | TECH 314 | January 21, 2014

Archived source image: IMG_0561.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

03 Control Block — Dimensioned Sheet

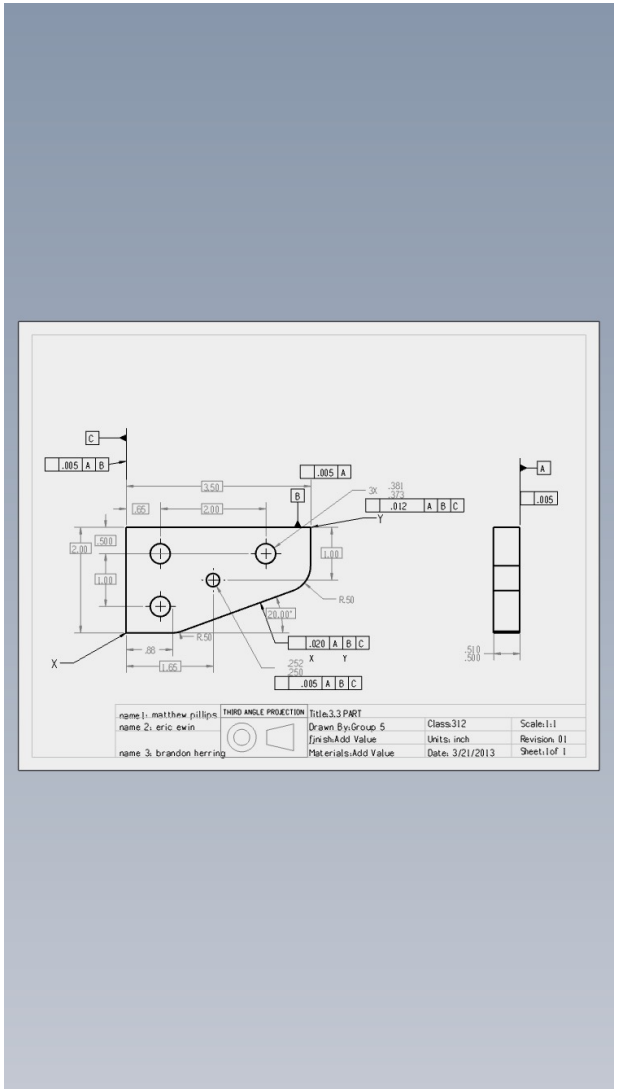

Individually credited | TECH 312 | January 21, 2014

Archived source image: IMG_0562.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

04 Dimensioning and Tolerancing Exercise

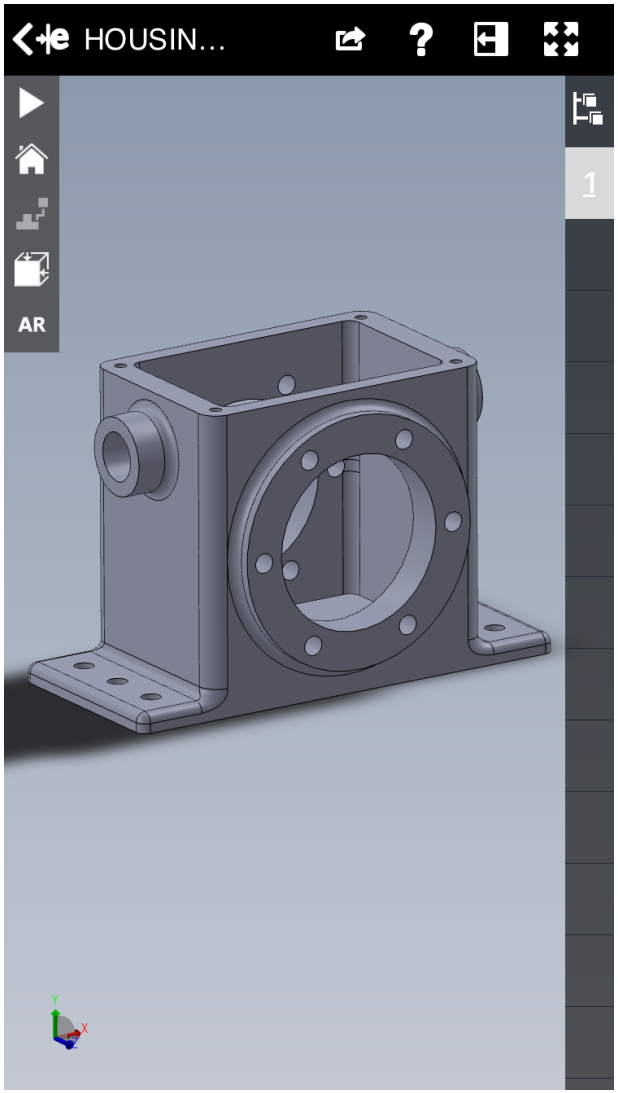

Group coursework | TECH 312 | March 21, 2013

Archived source image: IMG_0563.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

05 3D Mechanical Housing Model

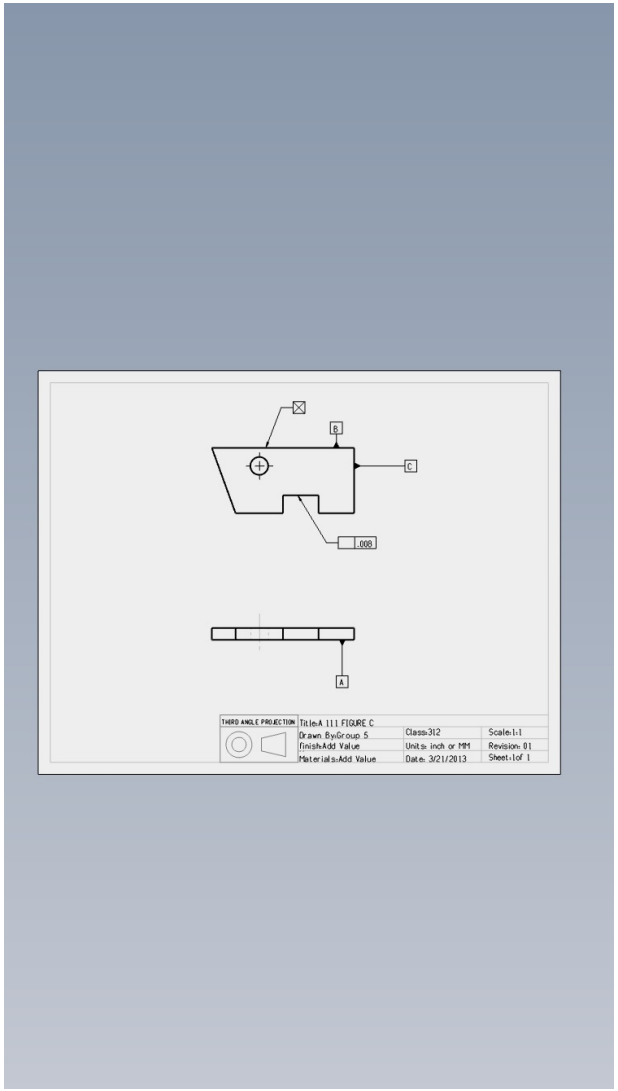

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0547.png. Original proportions preserved; image resolution 750 × 1334 pixels.

06 Mechanical Drawing — Orthographic Views

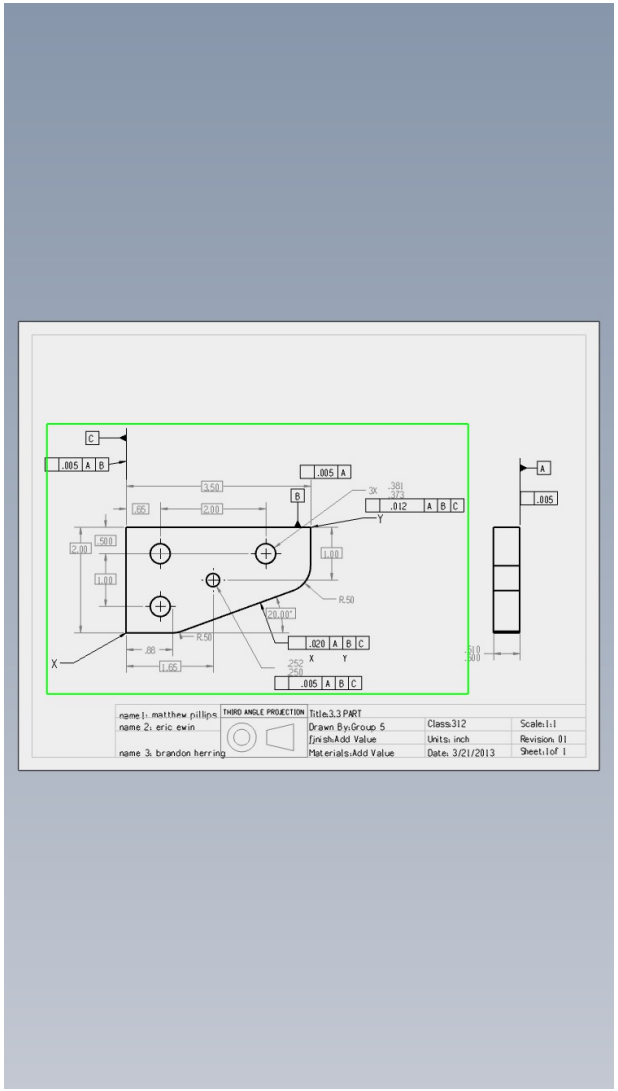

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0549.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

07 Dimensioned Plate Drawing

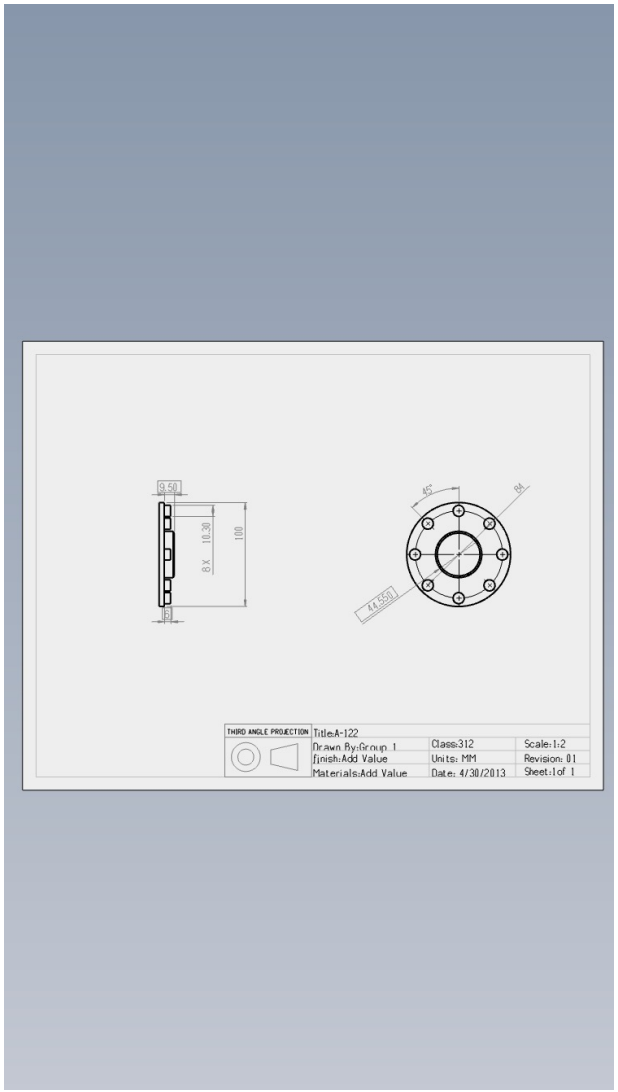

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0550.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

08 Circular Flange / Component Drawing

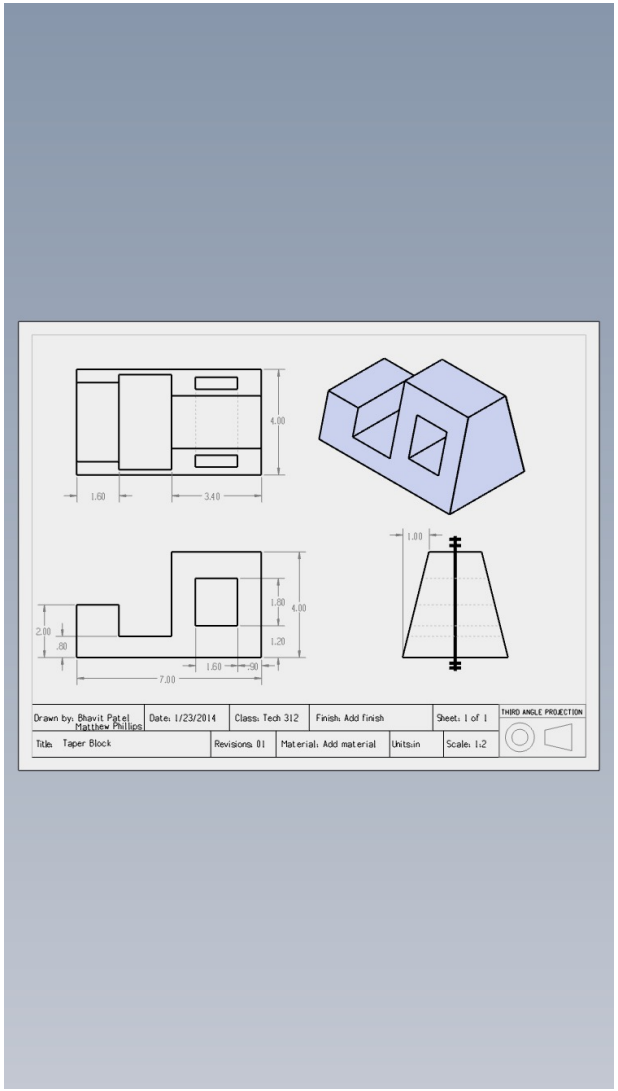

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0551.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

09 Mechanical Part — Multiview Drawing

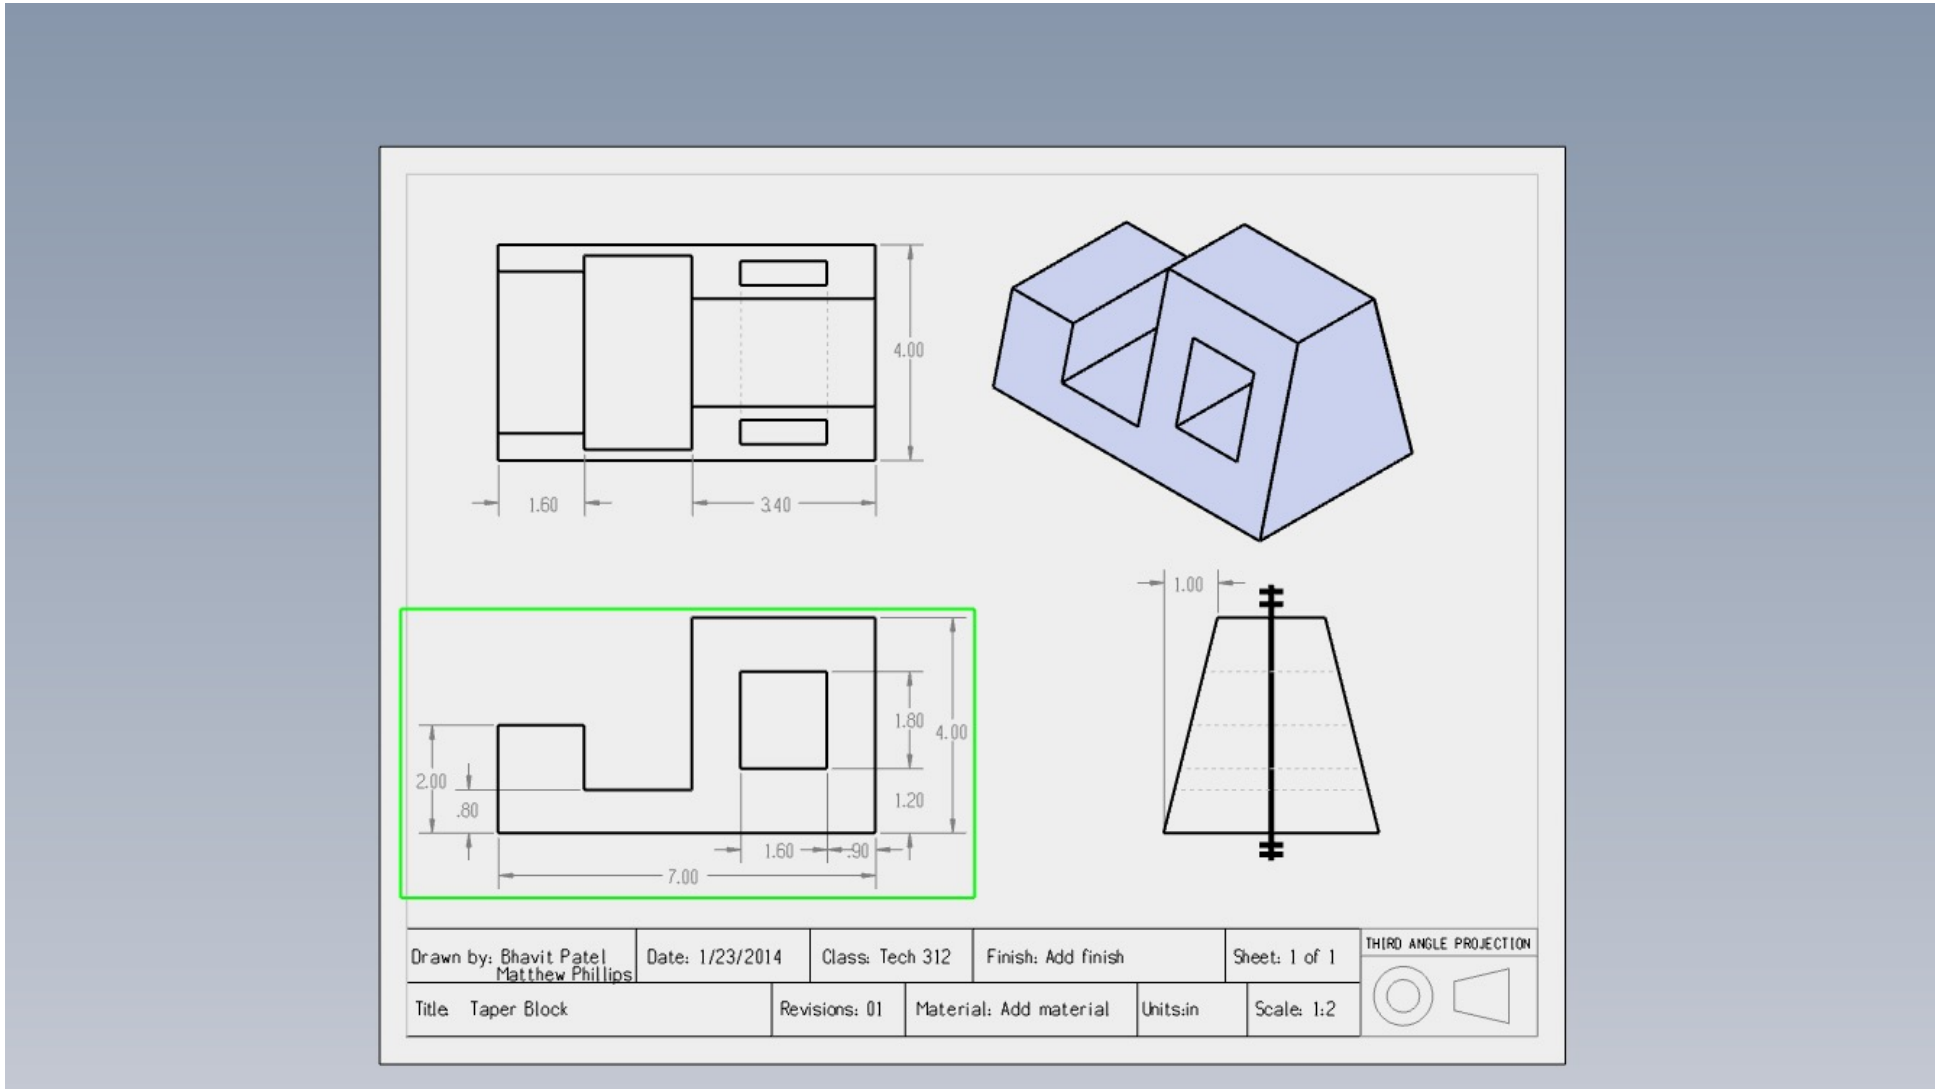

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0552.jpg. Original proportions preserved; image resolution 750 × 1334 pixels.

10 Mechanical Part — Alternate Drawing View

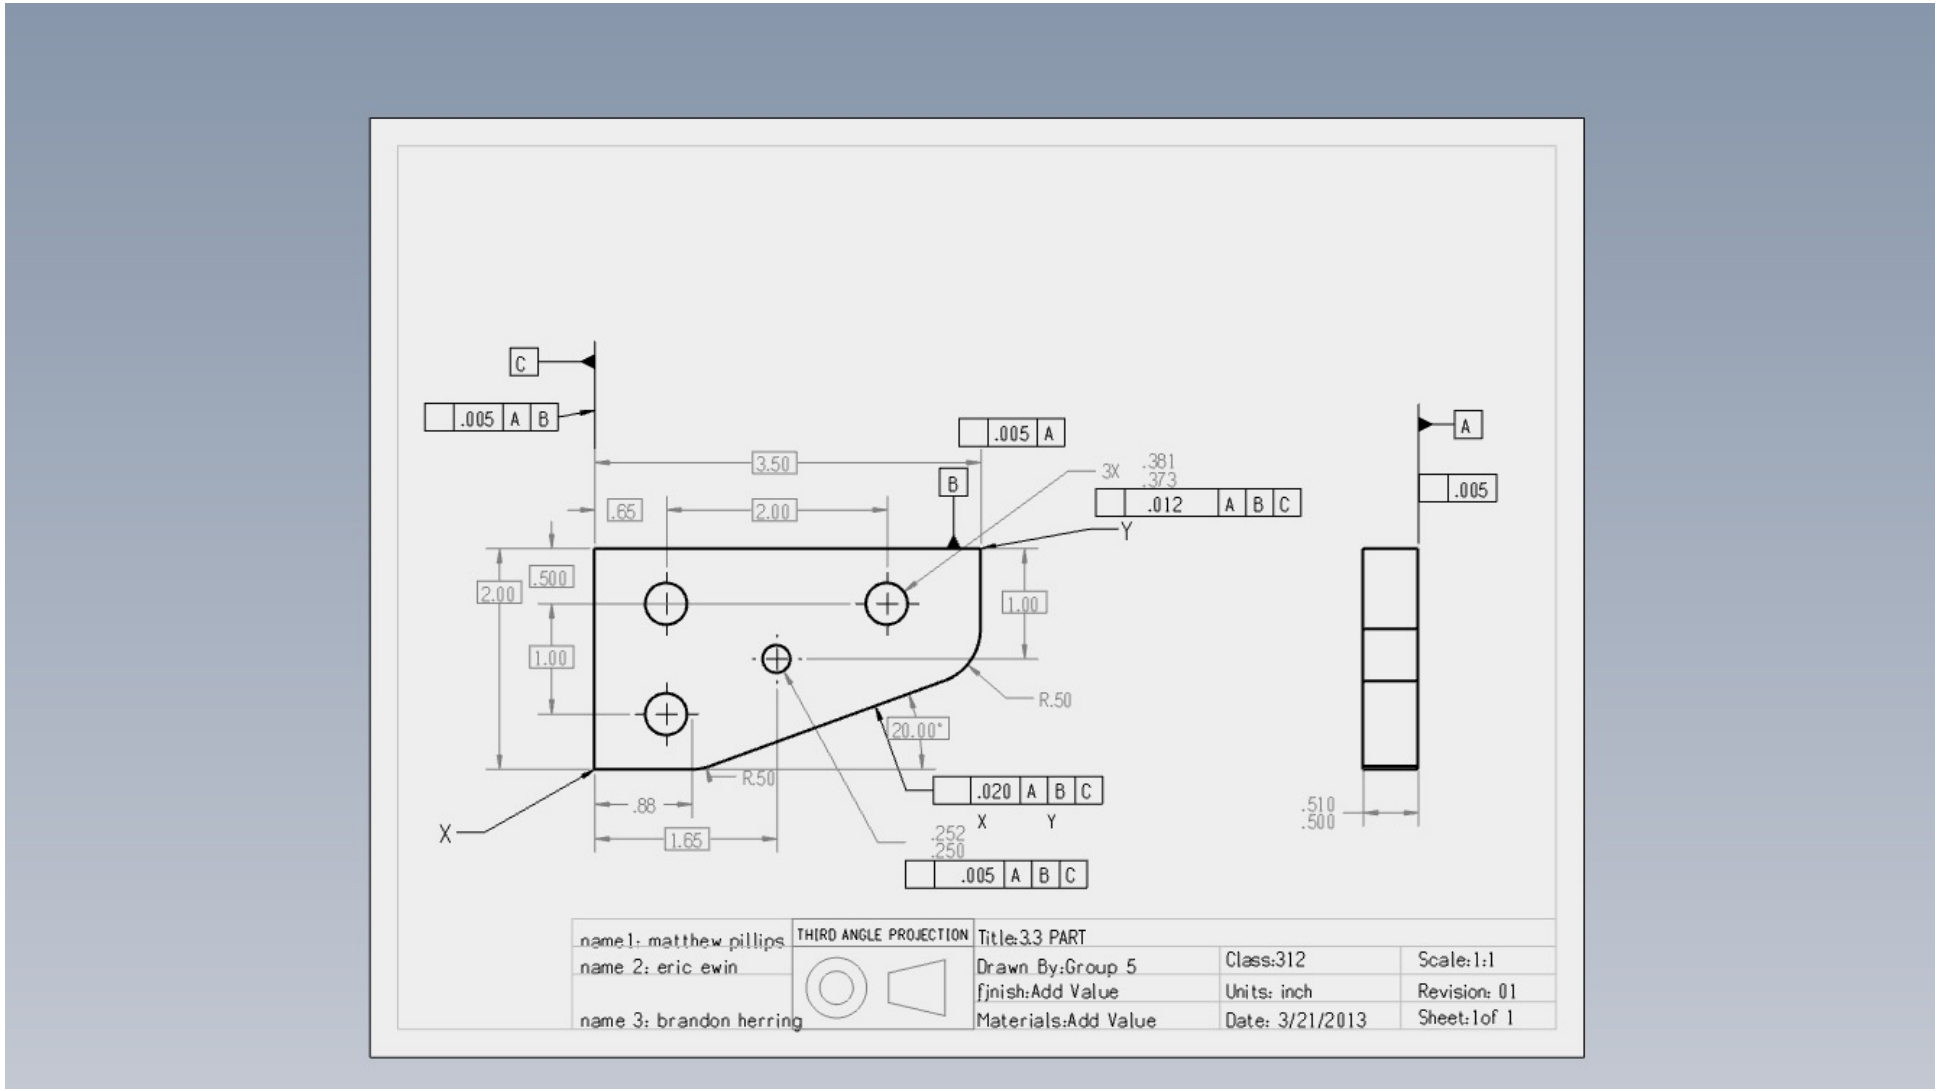

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0553.jpg. Original proportions preserved; image resolution 1334 × 750 pixels.

11 Dimensioned Plate — Detail View

Archived CAD screenshot | individual title-block credit not confirmed

Archived source image: IMG_0554.jpg. Original proportions preserved; image resolution 1334 × 750 pixels.
